After school club, every day a new adventure

Your child is more than welcome at our after school club (BSO).

Children have a great time there, playing indoor and outdoor.

BSO Fun is our fantastic, daily program. The activities involve creativity, sport and games, cooking, discovery/science and nature.

Holiday time at the after school club stands for fun, relaxation and experiences. The Xperience days offer something special! For example, special activities with Lego, Beauty & Fashion, Photo and Film, Street Arts, Forest or Beachcombing.
